**RE: COMPLAINT RECEIVED FROM LALA'S CLEANSING & SUPPLIES SERVICES
AGAINST THE GCAA BIDDING AND EVALUATION PROCEEDINGS ON THE
TENDER FOR THE CLEANING SERVICES FOR THE NEW PASSENGER TERMINAL
AND THE NEW CONTROL TOWER**

I write on behalf of the Chairperson and the distinguish Members of the Complaints Review Board to inform you of the decision rendered by the Board regarding the above captioned application for review.

The Board finds that there was an infringement of the procurement laws of the Gambia as promulgated in the Public Procurement Act 2014 (GPP Act 2014) and the GPPA Regulations 2019 in the way and manner that the procurement proceedings and the subsequent award of the contract for the cleaning of the new Passenger Terminal and Control Tower Buildings at the Banjul International Airport were conducted.

Consequently, the Board is of the considered view that the applicant's complaint has merit. As a result, the Board orders interalia and by virtue of Section 55(6) (b) (e) and (f) of the Gambia Public Procurement Act 2014 that the contract for the cleaning of the new Passenger Terminal and Control Tower Buildings at the Banjul International Airport be

and is hereby overturned as it entered into force in a manner that is not in compliance with the provisions of the procurement laws.

The Board further orders that if notice of the procurement contract award has been published, the notice of the overturning of same be published in the same manner.

GCAA is to abide by the preceding orders immediately upon receipt of this letter.

The full text of the Board's decision will be sent to you on Tuesday the 26th April 2022.

We rely on your usual understanding and cooperation accordingly.

Yours Sincerely
