NATIONAL WATER & ELECTRICITY COMPANY LIMITED

DIRECTORS' REPORT FOR THE YEAR ENDED 31ST DECEMBER 2013

1. The Directors present the audited financial statements of the Company for the year ended 31st December 2013.

2. **STATE OF AFFAIRS:**

The results for the year ended 31st December 2013 are as set out in the attached financial statements.

3. **PRINCIPAL ACTIVITIES:**

The principal activities of the Company have been the nationwide provision of electricity, water and sewerage services.

4. **DIRECTORS:**

The Directors who held office during the year are as detailed on page 2.

None of the Directors who held office had any beneficial interest in the shares of the Company.

5. **DIRECTORS' RESPONSIBILITIES FOR THE FINANCIAL STATEMENTS:**

The Companies (Gambia) Act, 2013 requires the Company's Directors to prepare financial statements for each financial year which gives a true and fair view of the state of affairs of the company as at the end of the financial year and of its profit or loss for that period.

In preparing these financial statements, the Directors are required to:

- Select suitable accounting policies and then apply them consistently;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any given time, the financial position of the Company and to enable them to ensure that the financial statements comply with the provisions of the Companies (Gambia) Act, 2013.

They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

6. **PROPERTY, PLANT AND EQUIPMENT:**

The additions and disposals are as detailed in note 6 of the financial statements. There has not been any permanent diminution in the value of the company's property plant and equipment.

7. **RESULTS:**

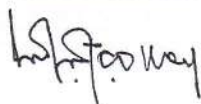

The results for the year are as shown in the accompanying financial statements.

8. **EXTERNAL AUDITOR:**

The audits, Augustus Prom, who were appointed by the national Audit and having indicated their willingness, will continue in office pursuant to section 155 (2) of the Companies Act 2013.

INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF THE
NATIONAL WATER & ELECTRICITY COMPANY LIMITED (NAWEC)

We have audited the Company's financial statements and notes thereto for the year ended 31st December 2013 set out on pages 8 to 21. The financial statements have been prepared under the historical cost convention.

DIRECTORS' RESPONSIBILITIES FOR THE FINANCIAL STATEMENTS:

The Directors are responsible for the preparation and the fair presentation of these financial statements in accordance with the Companies (Gambia) Act, 2013 and Generally Accepted Accounting Principles (GAAP). These responsibilities also include, maintaining adequate internal controls relevant to the preparation of financial statements that are to be free from material misstatement whether due to fraud or error; selecting and applying appropriate accounting policies that are consistent with Generally Accepted Accounting Principles and making reasonable accounting estimates.

AUDITOR'S RESPONSIBILITIES:

Our objective is to express an independent opinion on the Company's financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing (ISA). These standards require that we comply with ethical requirements, plan and perform the audit in-order to obtain reasonable assurance, as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making these risk assessments, the auditor considers internal controls relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate to the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant estimates made by the Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence that we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

OPINION

In our opinion, the financial statements give a true and fair view of the financial position of the Company as at 31st December 2013 and of its financial performance and cash flow statement for the year then ended and has been prepared in accordance with Generally Accepted Accounting Principles, adhering to the Companies (Gambia) Act, 2013.

The notes on pages 12 to 22 form an integral part of these financial statements

Notes to the Accounts

1. Accounting Policies

The following accounting policies have been applied consistently in dealing with items which are material in relation to the Company's financial statements.

a) **Accounting Convention**

The financial statements have been prepared under the historic cost convention in accordance with Generally Accepted Accounting Principles using an accruals basis of accounting and relevant provisions of Schedule Eight of the Companies (Gambia) Act, 2013.

b) **Inventories**

Inventories are valued at the lower of cost and net realisable value. The cost is determined using a standard method where cost is the purchase cost together with the related duty, freight, insurance and commission charges on a first in first out basis.

c) **Property, plant and equipment**

Property, plant and equipment are stated at cost less accumulated depreciation. Cost includes all cost incurred in acquiring the asset plus all directly attributable costs incurred in bringing the asset to its present location and condition for the asset to become operational.

Depreciation is provided on property, plant and equipment, excluding land, at annual rates calculated to write off the cost of each asset over its estimated useful life on a straight line basis as follows:

Plant and Machinery	4-10%
Furniture and equipment	20%
Vehicles	20%
Building	2%
Electricity Network	2.5%
Water Network	2.5%

d) **Revenue Recognition**

Revenue represents the invoiced amount of bills issued for the financial year for electricity, water and sewage services as well as prepaid electricity provided to the public.

e) **Foreign Currencies**

Monetary assets and liabilities denominated in foreign currencies are converted at the rate of exchange ruling at the balance sheet date. Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. Gains and losses on exchange are transferred to the income statement in the period in which they arise.

f) Pension scheme

Effective 1st January 2004, the company contributes 15% of employees' gross salaries to the Social Security and Housing and Finance Corporation Pension Fund.

g) Government Subsidies

Government subsidies are recognised in the period in which they are received or the period in which their future receipts becomes certain.

h) Consumer Deposits (Application fee)

The consumer deposits resulted from an accumulation of deposits for service connections since incorporation of the Gambia Utilities Corporation. The Directors adopted a policy of amortising these deposits to the income statement on a straight line basis.

i) Fixed and Current Asset Investments

Income from equity and other investments are recognised in the income statement when earned whether the amounts are received or not. Fixed asset investments are recorded in the balance sheet at historical cost less any impairment loss on the carrying value of those investments. Current asset investments are shown in the balance sheet at cost plus income receivable up to the balance sheet date.

j) Surcharge Income

Surcharge income arises when illegal service connections or tampered meters are detected. Invoices are raised when an estimate of the potential financial loss to the company is established with reasonable certainty. Recognition of revenue in the profit and loss account, however, is based on the actual receipt of cash as a matter of prudence as some of these invoices are re-negotiated or cancelled.

k) Government grants

Grants used to acquire non-current assets are recognised as deferred income in the balance sheet and released to the income statement over the useful economic life of the non – current assets.

l) Taxation

The Government of The Gambia has granted National Water and Electricity Company (NAWEC) Ltd exemption from the payment of Yearly corporate tax to the Gambia Revenue Authority through the Public Enterprise Act Cap, 87:01 through the Utilities Holding Corporation Act (Revocation) order in Section 3.

Western Region Electrification.	5,000	-	5,000	-
	72,077	11,495	29,249	15

19. Prior Year Adjustments

There has been a prior year adjustment in the Financial Statements as at 31st December 2013 which relates to the tax exemption received from the Government of The Gambia. This has been adjusted to take into account the corporate tax provided for in previous years. The amount totals to GMD158m as per note 13.

A difference of GMD 6million was noted between the creditor control account balances relating to 2012 and the trial balance figure which was adjusted as prior year.

20. Going Concern

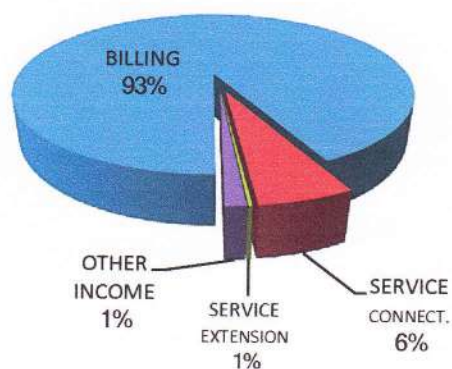

The financial statements have been prepared on the going concern basis, which assumes that the company will continue in operational existence for the foreseeable future. The validity of this assumption depends on the continuing financial support from the Government of The Gambia. In view of this uncertainty, Ministry of Finance & Economic Affairs is fully committed to fund the operations and expansion of the company if need be when its management has difficulty in meeting its business/ financial obligations. The financial statements do not include any adjustments that would result from the removal of this support. In the opinion of the directors, it is appropriate to prepare the financial statements on a going concern basis.
